Revenue by Gender

Male customers drive 2× revenue

Male: **\$157,890** vs. Female: **\$75,191**

68% of customers are male — a key demographic to target.

Subscribers vs. Non-Subscribers

73% are non-subscribers

Non-subscribers generate **\$170K** vs. subscribers **\$62K**

Only 27% subscribed — significant growth opportunity.

📄 Repeat buyers: 2,518 non-subscribers vs. 958 subscribers

Customer Segmentation

Loyal customers dominate

80% classified as Loyal — strong retention base.

Only 83 New customers — acquisition needs focus.

Revenue by Age Group

Young Adults lead revenue — prioritize this segment in marketing campaigns.
